↪ WHAT COULD BE MORE APPROPRIATE ON THE COVER OF THE "1973 INDEX" FOR CANADIAN RAIL than a picture of Canadian National Railways' famous Number 6060, when she was in service hauling fast passenger trains. M. Jacques Pharand, who loaned us this photograph for reproduction, has no information as to the location or the date.

← BACK IN 1956, ON AUGUST 23 TO BE PRECISE, MR. ELMER TRELOAR TOOK THIS picture of a two-car interurban train on the British Columbia Electric Railway at Steveston, B.C., on the Lulu Island line, 14.5 miles from Vancouver.
